Sanitary bin service

SANI BOX

Washroom facilities are essential to the comfort of your female staff and customers, and they shape your company's brand image.

Our service covers the complete management of your sanitary bins, including the destruction of the waste collected.

Our sanitary bins also help you meet the legal obligation for every business to provide suitable disposal units in toilets reserved for women.

As specialists in washroom equipment and hygiene, we owe our reputation to our tailored services.

This means we can provide complete solutions tailored to your washrooms.
